HEALTH FORMS DUE DATE – September 18, 2026

Dear Parents:

In keeping with the Illinois State Law, the immunization status of every student must be recorded on his/her health record. **ALL** immunizations must show **MONTH, DAY AND YEAR** they were received from birth until present. Your child must also have a current physical examination by a physician upon entering high school.

The following is a list of the immunizations that the student should have received prior to entering freshman year in order to be in compliance with the law:

1. Diphtheria, Pertussis, and Tetanus (DTP) – 3 basic shots – plus one after age 4 – plus one
2. Tetanus, Diphtheria, and Acellular Pertussis (Tdap) – 1 shot – required for all children 6th through 12th grade (or upon entering high school).
3. Polio – 3 or more doses of Polio Vaccine with the last dose being a booster received on or after the 4th birthday.
4. Measles – 2 shots – the first on or after 12 months of age and 2nd dose no less than one month later (if child had the disease, this must be verified by a lab test.)
5. Rubella – 2 shots – the first on or after 12 months of age and 2nd dose no less than one month later (if child had the disease, this must be verified by a lab test.) Usually gives as MMR.
6. Mumps – 2 shots – the first on or after 12 months of age and 2nd dose no less than one month later (if child had the disease, this must be verified by a lab test.) Usually gives as MMR.
7. Hepatitis B – 3 doses of Hepatitis B vaccine administered at the appropriate intervals.
8. Meningococcal – 1 shot – required upon entering 12th grade.

If this is not turned in on time your student will be placed on medical exclusion and until compliance with Illinois State Law is met and they will not be allowed to attend classes. Make sure that you have filled out all the information at the top of the Health Examination Form and that the Health History Section on the back side of the form is completed and signed and dated by the parent/guardian.
