Welcome Back Pioneers! and WELCOME NEW PIONEERS!

I am super excited to welcome you all back and into our building. I know that this year is going to be remarkable. We have so made so many changes - adding 7 new staff members to help and support our students, creating new spaces, bringing in equipment and technology that will enhance your students learning experience.

Our theme for the school year continues as Excellence Happens on Purpose. With the addition of Work Study and workforce development and training, our students face an expanded and exciting curriculum. Our committed and enthusiastic faculty and staff are busy planning, cleaning, registering, ordering and preparing the school for Monday!

Please feel free to email me with any questions, comments or concerns - rfacen@sfdshs.org
