DEFINE YOURSELF

@ST. FRANCIS DE SALES HIGH SCHOOL

Preparation for College, Preparation for Work, Preparation for Life

In this year like no other, there are many things that we don't know and with all the uncertainty, it is easy to feel lost, but at St. Francis de Sales we are certain that you will find your place. Here's what we know:

WE KNOW

- When you choose St. Francis de Sales High School, you are choosing to be part of a community that knows, nurtures, supports and cares for each other.
- Our honors and AP classes not only prepare students for success in college, but also open doors with scholarship opportunities. In fact, most of our students receive significant scholarships/financial aid for college.
- Work Study is part of our mission, this year through Pioneer Panel Series and as the world opens up through field trips and interviews and training and eventually through Work Study programming.
- Our staff and faculty are unmatched and led by our dynamic new leader, Roni Facen, who comes from our community and believes in and is committed to serving and educating every student who walks through the doors of St. Francis de Sales High School.
- A good education should be available to ALL families. We work with families to provide scholarships and financial aid to make tuition affordable and payments manageable.
